

The dot plot displays the raw scores for 100 students. The x-axis, labeled 'Raw Score', ranges from 0.0 to 10.0. The y-axis represents individual students, numbered 1 to 100. Each student's score is represented by a black dot. The distribution is roughly bell-shaped, centered around a raw score of 5.0. Most students have scores between 4.0 and 6.0, with a few outliers at the extremes.
