

The dot plot displays the frequency of raw scores for 100 students. The x-axis, labeled 'Raw Score', has major tick marks at 2.5, 5.0, and 7.5. The y-axis represents the number of students, with major tick marks every 20 units from 0 to 100. Each dot represents one student. The distribution is roughly bell-shaped, centered around a raw score of 5.0. There are 3 students with a score of 0, 10 students with a score of 1, 15 students with a score of 2, 20 students with a score of 3, 25 students with a score of 4, 30 students with a score of 5, 25 students with a score of 6, 20 students with a score of 7, 15 students with a score of 8, 10 students with a score of 9, and 3 students with a score of 10.

Raw Score	Number of Students
0	3
1	10
2	15
3	20
4	25
5	30
6	25
7	20
8	15
9	10
10	3
