

The scatter plot displays the frequency of raw scores. The x-axis, labeled 'Raw Score', has major ticks at 2.5, 5.0, and 7.5. The y-axis represents the count of students for each score. The distribution is roughly bell-shaped, centered at 5.0.

Raw Score	Frequency (Count)
0	2
1	3
2	4
3	5
4	6
5	10
6	8
7	6
8	4
9	2
